**Work due to start on skatepark in Horndean Road Recreation Ground**  
*Jayne Emery*

By the time you read this article, work will hopefully have finally started on the new Emsworth Skatepark. The design was chosen at a meeting of the user group hosted by the Emsworth Bowling Club in September. Many young people attended and were shown details of designs by two competing contractors. At the end of the meeting the young people voted on their preferred contractor. Construction is planned to take twelve weeks. A meeting will be arranged in January for the user group to receive an update from the contractor on the progress of the work. If all goes according to plan, the skate park will be completed by the beginning of March 2006.
