

Emsworth Liveability Project: Questionnaire

To answer Question 1 Please list the seven items you consider most important in order of importance for you by writing the letters A to F and the numbers in the box below.

E.g. if you think 'A1' is the most important write 'A1' in the top box.

When you make your choices you need to consider the cost of the individual proposals. For example, if you consider that rebuilding the steep subway steps is important. You need to consider whether it is worth spending between half and three quarters of the whole budget on this one item, and in that case which other items you would of necessity leave for a future project.
