Emsworth Cricket Club
Lee Johnson

The purpose of Emsworth Cricket Club is to promote the amateur sport of cricket in Emsworth and community participation in the same. A registered "Community Amateur Sports Club" and League champions in 2004, ECC have used the closed season to strengthen it's core and ensure it's long term sustainability.

The 1st XI's promotion has put them into the County Divisions, while the 2nd XI remain in the Regional Divisions. In addition, there is a Midweek XI and Sunday XI to offer differing cricket to all.

Utilizing a successful grant bid to Havant Borough Council, ECC now has an English Cricket Board Level One Coach. As well as pure coaching, the qualification includes modules on Child Protection and First Aid. It is hoped that in the longer term this will lead to the return of junior cricket to Horndean Road (at present only those aged 15+ can be accommodated within the ECC teams).

Last year's success has also helped attract a new shirt sponsor. In a three-year deal with "The Coal Exchange", the new shirts will ensure that high standards within the Club are maintained and that the town's name is displayed with pride.

Preparations to consolidate on last year's success are well underway. Competitive indoor league cricket has continued throughout the winter and weekly indoor nets are helping to ensure that ECC is ready for the first weekend in May. If you're a player, scorer, umpire or simply new to the game and want to get involved, we would love to hear from you.

There are further sponsorship and advertising opportunities available on advertising boards and website links. If you are interested in anything to do with the Club, including the fixtures list, please ring, email or visit our website as the season develops.

Bus Tokens to go
 Source: Havant Borough Council Press Release 9 February 2005

In a bid to keep the Council Tax increases down, the Executive has recommended that the concessionary travel scheme be changed. A Bus Pass will still be available to all residents who are aged over 60 or who are disabled but Bus Tokens and Rail Passes will be discontinued. However, extra money will be given to enhance the Call-and-Go service previously known as Dial-a-Ride.
